1. The following is an Examiner's Statement of Reasons for Allowance:

Applicant's amendment filed 03/17/2005 including two microphones with their respective received signals for deriving identified oscillation values that are relevant for recognizing oscillations at each microphone of the hearing device and provided identified oscillation values comparison thereof for reducing feedback conditioned oscillation. The corresponding argument and remark filed 03/17/2005 is also considered and deemed persuasive to overcome cited references and the non-final rejection dated 11/15/2004. Update search was conducted, but no additional prior art was found and deemed as appropriate for disclosing and suggesting the particular combination of elements and functional steps as recited in the instant application.

2. Any comments considered necessary by applicant must be submitted no later than the payment of the Issue Fee and, to avoid processing delays, should preferably accompany the Issue Fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

3. Any inquiry concerning this communication or earlier communications from the examiner should be directed to Xu
